

Modern Hanging Towel with Band

How to Hang your Towel

01

Band Towards Back

Flip the **band** so it's towards the **back** of the towel.

02

Hang the Towel Over the Bar

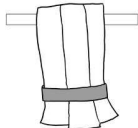

Hold the top of the towel with the **front facing towards you**. Place the towel over the bar.

03

Tuck the Towel into Band

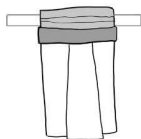

Take the lower edge of the towel and place it behind the band.

04

Place the Band

Pull the towel down until the band is at the bottom edge of the topper.
